SUMMARY OF CHANGES

This instruction incorporates AFI36-2903_AFGM2020-01 and provides guidance on OCP and United States Space Force (USSF) uniform wear for cadets. This current version also aligns with each respective section and the overall layout of AFI 36-2903, which was updated on 2 Jul 2020.

1.2.5.1. Alteration and Exchange. Cadets will not alter any uniform item without prior approval from the uniform custodian; if alterations are approved by the uniform custodian, cadets will not use personal funds. Basic hemming and normal alterations necessary for regular wear are allowed. Custom tailoring of uniforms is not allowed.

1.2.12. General Cadet Uniform Wear. Cadets will wear an authorized military uniform for at least one full day per school week, regardless of length of school week, during their attendance at

Leadership Lab (LLAB), and for PMT as directed by the Det/CC. Wear of the uniform for AFROTC academic classes on other school days is at the Det/CC's discretion.

1.2.12.1. (Change) Uniform Wear Off Campus. Uniform wear in off-campus facilities should be comparable to that of clothing worn by civilians in the establishment. Airman Battle Uniform (ABU) and Operational Camouflage Pattern (OCP) is the appropriate uniform if civilians are dressed in casual attire. Blues are appropriate if civilians will be in business casual attire. Service dress is appropriate if the event is coat and tie. Mess dress or equivalent is appropriate for black tie evening attire.

1.2.12.1.1. (Change) ABU, OCP, Flight Duty Uniform (FDU), and Two Piece Flight Duty Uniform (2PFDU). Cadets may wear the ABU, OCP, FDU, or 2PFDU off-campus to dine in local establishments frequented by civilian workers wearing work clothing comparable to the ABU, OCP, FDU, or 2PFDU regardless of whether or not the establishment offers waiter and waitress service. Cadets are cautioned to select a dining establishment that satisfies these criteria. If the dress code of the establishment, whether written or unwritten, is of more formal dress, the ABU, OCP, FDU, or 2PFDU will not be worn in the establishment. Cadets will not wear these uniforms to off-campus establishments to do extended shopping, dining, socializing or to take part in any form of entertainment. However, short convenience stops are authorized in the ABU, OCP, FDU, or 2PFDU. Det/CCs may set a more specific policy on specific local establishments acceptable for ABU, OCP, FDU, or 2PFDU wear.

1.2.12.2. Uniform of the Day and Leadership Lab (LLAB). Cadre and cadets will wear either the ABU/FDU/2PFDU, Service Dress or Service Dress Uniform. The Det/CC will decide which aforementioned uniform combination will be worn depending on the LLAB activity of the day. The service dress uniform must be worn at LLAB at least once per month.

1.2.12.3. Military Institutions. At institutions classified as Senior Military Colleges (SMC) where distinctive types of uniforms are required, AFROTC cadets will wear the uniform prescribed in institutional directives. Special attention must be paid to ensuring cadets at these institutions are trained on proper wear of the Air Force uniform prior to participation in Field Training and commissioning.

1.2.12.4. Field Training Uniforms. FT uniform requirements differ slightly from detachment requirements. FT uniform requirements checklist can be found in the Field Training Manual.

1.2.13. (Added) The OCP. On 1 September 2020, cadets are authorized to wear OCPs. OCPs will be issued only to incoming AS 100s, returning AS 200s, and rising AS 300s. AS 400s and above are authorized to wear OCPs if they choose to procure the utility uniform on their own. Cadets will adhere to the same OCP undergarments/boot wear instructions as outlined in AFI 36-2903.

1.2.14. (Added) USSF-Select Cadets.

1.2.14.1. (Added) Physical Training (PT) Gear. USSF-select cadets will wear U.S. Air Force PT Gear IAW AFI 36-2903.

1.2.14.2. (Added) Service Dress Uniform. USSF-select cadets will wear the USAF Service Dress as outlined in paragraph 4.5.1.2.-4.7.7.1.1.

1.2.14.3. (Added) Mess Dress Uniform. USSF-select cadets will wear the USAF Mess Dress as outlined in paragraph 4.1.3.

1.2.15. Events Authorized for Uniform Wear. Cadets participating in detachment sanctioned Color Guards, Honor Guards, and Drill Teams may wear their uniforms while preparing for, performing, or coming from performing Color/Honor Guard or Drill Team duties. Military institutions retain the same exception to uniform wear as in paragraph 1.2.12.3.

1.2.15.1. Definitions. In order to ensure all detachments have the same understanding of what constitutes these organizations, the following definitions are provided.

1.2.15.1.1. Color Guard. Color Guards are small (typically 3-8 person) teams that form to carry the flags/colors and present them at such activities as sporting events, parades, and other formal ceremonies, such as military balls. These teams may also participate in Color Guard competitions at drill meets.

1.2.15.1.2. Honor Guard. Honor Guards are small (typically 3-8 person) teams that are very similar to Color Guards, except they may or may not carry flags. They are formed to honor something or someone, such as at funerals, veterans' ceremonies, etc. This may include flag raising/lowering details.

1.2.15.1.3. Drill Team. Drill Teams are normally larger teams (though sometimes as small as a color/honor guard) that do not carry flags, except a flight guidon in some situations. They may drill with or without weapons. They are formed to perform for events such as parades or exhibitions, or to compete in Drill Team competitions at drill meets.

1.3.3.1. (Change) Military Aircraft. Cadets will wear ABU, OCP, FDU, or 2PFDU while traveling aboard military aircraft between military installations. Detachment commanders (Det/CC) may authorize wear of civilian clothes or detachment polos if uniforms have not been issued.

1.3.4.1. Commercial Aircraft. Cadets will not wear the AFROTC uniform while traveling aboard commercial aircraft unless specifically directed to do so.

1.3.7. Exceptions. General Military Course (GMC) cadets may not wear the items listed below. Only Professional Officer Course (POC) cadets may wear the following items which are purchased at their own expense:

1.3.7.1. Corfam shoes/Corfam pumps.

1.3.7.2. Service caps. If worn for other than Color/Honor Guard or Drill Team purposes, wear the same insignia as active duty officers. Insignia must be purchased at the expense of the cadet.

1.3.7.3. Semi-Form Fitting Blouse (Long or Short-Sleeved).

1.3.7.4. Shade 1625 trousers/slacks.

1.4.14. When NOT to wear the AFROTC Uniform. Det/CCs will restrict uniform wear by any cadet who does not meet AFROTC weight or body fat standards or when any cadet does not portray a proper military image while in uniform.

1.5.4.1. Authorized Uniform Items. Uniform items not listed in this instruction but authorized for wear per AFI 36-2903 may be authorized for cadets if purchased at their own expense. However, detachment cadre should not encourage or discourage cadets to use personal funds to purchase items not covered in this instruction. Cadets must ensure they are wearing the uniform item properly, including the wear of cadet rank insignia. Questions concerning proper wear of uniform items not listed in this instruction can be addressed to afrotc.dos@us.af.mil.

1.5.4.2. (Change) Procurement of Maternity Uniform. AFROTC/DOS will purchase maternity uniforms for wear by cadets with approval from the Det/CC. Det/CCs may waive uniform wear for pregnant cadets during the timeframe they are unable to wear the regular uniform.

1.5.4.3. Mess Dress Wear. Costs associated with wear of the mess dress uniform are paid by the cadet.

1.5.5. Detachment Responsibilities.

1.5.5.1. Detachments will not issue a uniform to a student until all application requirements are complete and the student is currently eligible or will be eligible (as can be reasonably ascertained) for the planned semester of membership.

1.5.5.2. Participating students will not be issued a uniform until authorized by the Det/CCs to participate in LLAB and/or PT. The Det/CC will counsel authorized participating students.

3.4. Tattoos/Brands/Body Markings. Det/CCs have the responsibility to approve or disapprove tattoos for applicants and cadets IAW AFI36-2903_AFGM2020-01 and any subsequent guidance in AFI 36-2903. Det/CCs will provide documentation via AF Form 4428 for any cadet with unauthorized or inappropriate tattoos stating that the cadet has been counseled on AFROTC and Air Force requirements and has begun removal of the aforementioned tattoos.

3.4.1.1. Cadets with inappropriate tattoos anywhere on the body (to include those that are obscene or advocate sexual, racial, ethnic or religious discrimination, or that are prejudicial to good order and discipline and bring discredit upon the Air Force) must be in the process of removing these tattoos at their own expense before attending Field Training.

4.1.3. Semi-Formal or Mess Dress Uniform. Cadets will wear the semi-formal dress uniform or mess dress uniform when participating in AFROTC-related military ball/dining out. Headgear will not be worn with the semi-formal or mess dress uniform. Cadets will not wear civilian clothing—evening gowns, dresses, suits—to their own military ball/dining out. When the costs associated with wear of the semi-formal dress uniform are prohibitive, the Det/CC may give authorization for local wear of the service dress uniform at formal social functions. Wear of the mess dress uniform will be IAW AFI 36-2903. POC cadets will wear silver sleeve braid. GMC cadets will not wear silver sleeve braid. Braid received with purchase of the mess dress should be retained by the cadet for wear as POC cadet and upon commissioning. Hard Shoulder Boards with appropriate silver stripes will be worn on the Mess Dress. Hard shoulder boards will be purchased

at the expense of the cadet. If detachments have hard shoulder boards available, they can be issued to cadets for wear with the mess dress uniform. Cadets should contact the uniform custodian for commercial sourcing.

4.1.3.1. Civilian clothing is only authorized for wear if the cadet is participating as a guest at another service's military ball/dining out, or if the cadet falls into a category which does not authorize them to wear the uniform (see AFI 36-2903 paragraph 1.4).

4.5.1.2. Service Dress Uniform. The service dress uniform is the official uniform for AFROTC training. The service dress uniform consists of the shade 1620 service dress coat, trousers, long-sleeved or short-sleeved shirts/blouses, tie/tie tab, as well as other required accoutrements (name tag, rank insignia, ribbons, badges, etc.).

4.5.1.2.1. Cloth shoulder marks will be used on the epaulets of the service dress jacket, long-sleeved and short-sleeved shirts/blouses, and the sweater. The epaulets are inserted into the cloth shoulder marks and buttoned. The bottom edge of the cloth shoulder mark must be as close as possible to the upper seam of the sleeve. See attachment 2 Figure A2.4 for cadet rank insignia.

4.5.2.2.1. Silver Name Tags. POC cadets wear the silver service dress name tag on the service dress jacket. GMC cadets wear no service dress name tag.

4.5.2.2.2. Shoulder Cords. In the short-sleeve blues or long-sleeve blues combination, authorized shoulder cords are optional. In the service dress uniform, authorized cords are mandatory.

4.5.2.2.3. Braids. Braids will not be worn on the shade 1620 service dress coat. If a braid was previously sewn on, it does not need to be removed, but ensure the jacket is only issued to contracted cadets if at all possible. Remove from inventory through sale or rotation. Braids received with purchase of the service jacket will be retained and will be issued to commissioning cadets if the uniform is purchased. It may then be sewn on prior to commissioning at the commissioning cadet's expense.

4.7.7.1. Headgear. Cadets will wear the officer flight cap with diamond braid (male or female) with the service dress uniform. Cadets will be issued "Prop & Wings" flight cap insignia (Figure 4.10) upon satisfactory completion of FT.

4.7.7.1.1. POC cadets are authorized to wear gold/silver combination "Prop & Wings" (gold wings and silver propeller) if a relative was a member of the Army Air Corps, if a parent has at least 20 years of military service, if a parent died in the line of duty, or if a parent participated in active combat as a member of any U.S. military service. The gold/silver "Prop and Wings" is Vanguard Part # 3680101. Insignia must be purchased at the expense of the cadet.

10.8.1.4. Silver Star Device. The Silver Star device is worn on the Physical Fitness Ribbon (earned at FT or detachment; see Figure 10.7), the Field Training Distinguished Graduate ribbon (see Figure 10.8), and the national winner of the Outstanding Cadet Training Assistant (CTA) Award (see Figure 10.9). Additionally, the cadet selected as the AFA Outstanding Cadet of the Year will wear a Silver Star device on the AFA Award medal and ribbon (see Figure 10.10). Star devices are not worn on any other medal or ribbon.

10.8.1.5. Bronze Oak Leaf Cluster (OLC). Denotes a second or later award of the same ribbon. (See Figures 10.5, 10.6, and 10.7.) **EXAMPLE:** Ribbon equals one award. Ribbon with 1 bronze OLC equals 2 awards. Ribbon with 2 bronze OLC equals 3 awards.

10.8.1.6. Silver Oak Leaf Cluster. Denotes 5 bronze OLCs. When worn with bronze OLCs, silver OLCs are to the wearer's right (toward the shirt buttons) (see Figure 10.6). **EXAMPLE:** Ribbon equals one award. Ribbon with 1 silver OLC equals 6 awards. Ribbon with 1 silver OLC and 1 bronze OLC equals 7 awards.

10.8.1.7. Devices awarded as part of an organizational award (Legion of Valor Bronze Cross for Achievement, American Legion Awards, Reserve Officers Association, Military Order of World Wars, etc.) will be worn centered on the ribbon. No more than one device may be worn, even if the recipient has earned the award more than once. If various levels of the award have been earned denoted by different devices, only the highest level award device will be worn.

FLIGHT DUTY UNIFORM

A6.2.4. Cadet Wear of FDUs and 2PFDU. Only cadets categorized as Pilot, Combat Systems Officer (CSO), Air Battle Manager (ABM), Remotely Piloted Aircraft (RPA) Officer, and Missile Officer may be issued FDUs or the 2PFDU.

A6.2.4.1. (Change) Authorized cadets may wear FDUs or 2PFDU in lieu of the ABU and OCP unless training requirements or the Det/CC dictate otherwise. Cadets will wear the ABU or OCP if FDUs or 2PFDU are unavailable.

A6.2.4.2. Submit orders for FDUs and 2PFDU in the WINGS Uniform Tracking System.

A6.2.4.3. Events Authorized for Wear of FDUs and 2PFDU.

A6.2.4.3.1. (Change) AFROTC Flight Orientation Program (FOP). If available in the inventory, FDUs or 2PFDU may be worn by cadets participating in the AFROTC FOP during the duration of their flight only. FDUs and 2PFDU must be issued immediately before and returned immediately after the training. Wear of the Aircrew Style Name Patch (ASNP) is not required for wear by cadets participating in AFROTC FOP when worn for single flights and returned to inventory. If FDUs or 2PFDU are not available in the inventory, cadets will wear the ABU or OCP for AFROTC FOP participation. If cadets have not been issued the ABU or OCP and combat boots, the service uniform will be worn.

A6.2.4.4. Recruiting. All cadets are required to wear blues for recruiting events.

A6.4.3.3.1. Right Breast Pocket. The AFROTC patch (cadet version with light blue background) will be worn on the right breast pocket of the FDU and between the diagonal pocket zipper and the main zipper.

A6.4.3.4.1. Left Sleeve. The U.S. Flag patch will be worn on the left sleeve. Cadets will not wear the Air Education and Training Command (AETC) patch.

A6.4.3.5.1. Right Sleeve. A detachment patch, if available, may be worn on the right sleeve.

A6.4.3.6.1. No other patches, badges, or accoutrements will be worn on the FDU or 2PFDU. All patches must be attached to the FDU and 2PFDU by the use of Velcro. Do not sew any patches on the FDU or 2PFDU.

A6.4.3.6.2. FDUs and 2PFDU will not be worn unless all required patches and insignia are available. This includes the AFROTC patch, the U.S. Flag Patch, and the ASNP. **EXCEPTION:** Per paragraph A6.2.4.3.1, the ASNP is not required for wear by cadets participating in AFROTC FOP when worn for single flights and returned to inventory.

A6.4.3.7.1. Neckwear. Detachment scarves are authorized but may not be purchased with IIK funds. The Det/CC will determine the color of scarves and be consistent with university colors.

A6.4.3.8. Name Tag. FDUs will be configured with the cloth Aircrew Style Name Patch (ASNP). The ASNP will be configured with text lines justified to the left and right (see Figure A6.6) and cadet badge centered above name line. The first line will read: FIRST NAME MI. LAST NAME (no nicknames allowed). The second line will read: CADET AFROTC (justify CADET to the left and AFROTC to the right). **NOTE:** Do not replace an ASNP solely because it does not meet the provisions of paragraphs A6.4.3.8-A6.4.3.8.2, but ensure any new ASNPs meet these requirements.

A6.4.3.8.1. Cadets authorized wear of FDUs who have earned the Parachutist Badge (whether through the USAFA Freefall program, Army Airborne Training, or other prior service qualifications) may have them placed on their ASNP, centered between the Cadet Aeronautical Badge (if applicable) and above the name line. Cadets who wish to have this added to an existing patch must do so at their own expense.

A6.4.3.8.2. ASNPs using custom colors (e.g., school colors) may be worn if approved by the Det/CC. No distinctive school markings are authorized. ASNPs will have two contrasting colors: one color for the background, and a contrasting color for the rim and embroidery. The Det/CC will determine which colors are to be used and shall be consistent throughout the detachment for all cadets wearing ASNPs.

Figure A6.6. Aircrew Style Name Patch (ASNP) Configurations (Cloth; Example is Combat Systems Officer).

A6.5.1.3. (Change) AFROTC does not provide flight jackets for wear, therefore, cadets may wear Gen III, Level VI OCP Jacket or ABU APECS for outdoor use only. **EXCEPTION:** If serviceable Air Force authorized Nomex flight jackets are available in the detachment inventory from non-AFROTC sources, are authorized for wear. Flight jackets will not be worn unless all required patches and insignias are available. This includes the AFROTC patch, the U.S. flag patch, and the ASNP (additional ASNPs must be purchased at the expense of the cadet). Do not use IIK funds to purchase flight jackets.

A6.6.4. Headgear. Cadets will wear the diamond braided officer flight cap with the FDU. POC cadets will wear the “Prop and Wings” insignia. The flight cap will be stored in the lower cargo pocket on the leg when not worn. Cadets will wear the OCP patrol cap with the 2PFDU. No insignia will be worn on the cap. Blocking of the cap is authorized. Name tape will be worn on

the back of the OCP patrol cap. In order to maintain standard uniform wear AFROTC-wide, the wear of any utility uniform style baseball/mesh hats are not authorized

A6.7.2. (Change) FDUs will be worn with either sage green combat boot with desert sand (Tan) shirt combination or coyote brown combat boot with coyote brown (Tan 499) shirt combination. 2PFDU will be worn with coyote brown combat boot and coyote brown (Tan 499) shirt combination.
